

By III. PETER A. SIMMONS

The South team controlled much of the opening half, using a pair of first-quarter touchdowns and a handful of big plays from Brockton's **Austin Roberts** to take a 14-0 lead into the locker room.

North Andover's **Alex Jette** got the scoring started with a 9-yard touchdown reception from Barnstable quarterback **Nick Peabody** at 4:08.

Minutes later, after Roberts's interception inside the five, Green doubled the South's lead as time expired in the first. The 5-foot-7-inch running back ran it in from 81 yards with a pair of North defenders in pursuit.

Stifled by a stingy South defense for most of the second half, the North squad finally got on the board with a 41 yard touchdown pass from Lowell's **Cameron Latta** to **Shawshawn Regional's Devonn Pratt**. The North team, looking to capitalize on its earlier touchdown was

EARLIER this summer Denise “Dede” Scharz-Gaeta, Miss Massachusetts Plus, graced us with her presence and to tell us that she chose the Aleppo Shriners Children’s Transportation Fund as her charity as she makes her mark on other pageant endeavors.

Denise is the founder and designer of Dede Allure, a designer, manufacturer and supplier of plus-size women's fashion apparel, jewelry and fragrances based in the Boston area.

"I want people to see that beauty, classical fashion design and elegance need not be restricted to measurements" says Schwarz-Gaeta. "I discovered a long time ago that I wanted to create more than just beautiful apparel for women, but create awareness and

Drivers Needed! The Kids Need Your Help!

We need drivers! The Aleppo Shriners Children's Transportation Fund is the most important program that Aleppo has. Last fall we called out to the Nobility and had some response with a couple of drivers stepping up to help. We need a larger pool of drivers.

Recently our volunteers have been driving patients of the Boston Hospital to the Springfield Hospital as well as their outpatient visits. As these trips are not all the time the availability of the drivers may not coincide with the need. Thus, we need more drivers on the list.

If we had just one member of each Unit on the list we would be in great shape.

Some of the runs are to drop the child off at the Hospital and wait until their doctors visit is over then drive them home. Other times it is just to drop the child off so they can have their care done and when they are able to go home then we have another run to pick them up.

The vehicles are here at Aleppo, so no one has to worry about using their personal vehicle. Ideally, two people are wanted for each run, but unfortunately we have not had enough volunteers to do this for all of the runs.

If you have some spare time have your name put on the list.

Call **Sheila Bissett** at 978-657-4202 ext. 220.
