## One Mentor Made a Difference

You know the old adage, "What can I do? "One person can't make a difference". Well, actually you alone can make a big difference. How? By becoming a Mentor. Don't have the time you say. Being a Mentor takes very little time. And there are several ways you can contribute.

- Giving tours to the candidates at the Ceremonials when they register and showing them the ropes. We can provide a script and tour path if you like.
- Following up with the candidates every 2-3 months during their first year to see if they have any question regarding Aleppo. Easy as a phone call or e-mail.
- And finally by becoming a Virtual Mentor.

All are simple tasks that make a significant difference to prospective as well as initiated candidates. For example, a man is curious about being a Shriner and so goes on to [www.beashrinernow.com](http://www.beashrinernow.com) to inquire. There he asks a question or two about the Shrine, becoming a member and tells a little about himself. As a Virtual Mentor, you may be paired up with him. It's as easy as an e-mail to introduce yourself and let him know if he has any questions you'll be glad to answer them. We can even give you a copy of an e-mail to use or tailor as you please. By this small amount of effort, he now has a contact and knows that Aleppo is there for him if and when he decides to become a Noble.

We recently had a prospective candidate log-on to [www.beashrinernow.com](http://www.beashrinernow.com) and inquire about the Shrine. He was assigned a Mentor who introduced himself to the prospective candidate and invited him to our Rockin' Noble night this past April. The prospective candidate took the Mentor up on his offer and attended. Needless to say he was so impressed by what he saw, he was initiated at the June 4<sup>th</sup> Ceremonial and joined a Unit. Just think; a simple e-mail from a Mentor and we have a new Noble and Unit member at Aleppo.

Check out how to become a Virtual Mentor. Just go to [www.alepposhriners.com](http://www.alepposhriners.com) and click on Members Info. There you will find a "Become a Virtual Mentor" picture. Click on that picture for step by step directions to guide you through the setup process to become a Virtual Mentor.

One Mentor made a difference, and so can you!
